## ACHIEVEMENTS

- CodeForces (Max. Rating- 1087).
- CodeChef (Max. Rating- 1668).
- 5 stars badge at HackerRank (C++).
- 3 stars badge at HackerRank (Python).
- 4 stars badge at HackerRank (Mysql).
- 8675/25000+ Rank at Google CodeJam.
- Solved 500+ problems across various coding platforms.

## TECHNICAL SKILLS

- C++, Python(Basic), MySQL, OOP( C++ ).
- Data Structures and Algorithms, Object Oriented Programming.

## EXTRA CURRICULAR

- PICT ACM Student Chapter - Volunteered dextrous event (PULZION' 21).
- Runner-up At PICT Cricket Tournament (2019).

## EDUCATION

### B.E. (CE) - 9.39 CGPA

#### Pune Institute of Computer Technology

📅 July 2019 – Currently

### Higher Secondary ( State Board ) - 84.15%

#### Shri Chaitanya Junior College, Pune

📅 2019

### Secondary ( CBSE ) - 10.0 CGPA

#### Raja Narayanlal Lahoti English School

📅 2017

MHT-CET - 99.06 percentile

JEE MAINS - 95.8 percentile

## PROJECTS

### Weather for a City (API)

- Tech Stack- nodeJs, HTML, Express, Postman.
- Fetching of the data from weather API and displaying the current forecast of the city.

### Dice Game

- Tech Stack-HTML, CSS, Javascript.
- Using some basic knowledge of if-else and switch statements of JavaScript, implemented a fun game.
- one who has high value at there end wins the game.

### MUSIC Game

- Tech Stack-HTML, CSS, Javascript.
- Using some basic knowledge of Buttons and switch statements of JavaScript, implemented a Calm Music Game.
- one can get calm and soothing music to listen to bring peace of mind.
